# How He Loves

Key: C

C - Am7 - G - F

Key: G

G - F#m - D - C

He is jealous for me loves like a hurricane  
I am a tree bending beneath  
The weight of His Wind and Mercy  
When all of a sudden I am aware of  
These afflictions eclipsed by glory  
And I realize just how beautiful  
And how great Your Affections are for me

*Oh how He loves us so*

*Oh how He loves us*

*How He loves us so*

*Yeah He loves us*

*Whoa how He loves us*

*Whoa how He loves us*

*Whoa how He loves us*

We are His Portion and He is our Prize  
Drawn to redemption by the grace in His Eyes  
If grace is an ocean we're all sinking  
So Heaven meets earth like a sloppy wet kiss  
And my heart turns violently inside of my chest  
I don't have time to maintain these regrets  
When I think about the way

We will work with each other. We will work side by side

We will work with each other. We will work side by side

And we'll guard each man's dignity

And save each man's pride

All praise to the Father

From whom all things come

And all praise to

Christ Jesus His only Son

And all praise to

The Spirit who makes us one
